MGT 822-02 Game Theory and Market Design	Elective (S2)	Dropped	01/10/2019 10:04 AM	<input type="button" value="Actions"/>

Policies and Procedures:

Please read the following terms and conditions:

- Registration in a Yale SOM course is subject to available space as determined by the School of Management. Students enrolled in Yale SOM have priority in all courses offered by the Yale School of Management. Students from elsewhere at Yale will be accommodated as space permits after MBA students have completed enrollment.
- Approval by a Dean or other official from the school to which you're admitted may be required, please check with your school's Registrar for policies and procedures prior to registering for a course at Yale SOM.
- The amount of credit received for courses taken at Yale SOM is determined by the School to which you're admitted--not the Yale School of Management.
- With the exception of Yale College students, registration confirmations will be sent directly to your school's Registrar who will update your schedule accordingly.
- Yale College students must return to SOM to have their "Request to Elect a Graduate or Professional School Course" form signed first by the instructor and then by our Registrar after receiving confirmation of registration.
- Please be aware that you will be billed for materials distributed in class or via Canvas. The fee is \$15 for a 1/2 semester course and \$30 for a full semester course.
- Once you have confirmed acceptance, check the Student Information Services (SIS) portal for updates and direct all future inquiries to your school's Registrar.
- Policy on Use of Photographic and Video Images and Audio Recordings: By attending and/or participating in SOM classes, students agree to have their image and/or voice video or audio captured. These recordings are only available to other students enrolled in the course.
